## **IMAGINE Software Gains Record Number of New Clients Across United States**

**Charlotte, NC** – Technology Partners, Inc. (dba IMAGINE Software), a leading provider of medical billing technology, announces today that it has recently been awarded nine new contracts in various parts of the United States.

The clients are a mixture of independent diagnostic testing facilities (IDTFs), hospital-based billing services facilities, and physician billing services facilities. Locations include New York, New Jersey, North Carolina, South Carolina, Texas, Mississippi, Maryland and Arizona. The new contracts add to IMAGINE Software's rapidly expanding client base, which continues grow to at a steady pace.

"IMAGINE continues to replace both current and legacy billing systems. Practices are experiencing rising costs and declining reimbursements and are opting for efficient and dependable technology to help reduce overhead and improve productivity. These organizations are looking for a true partner who will go the extra mile – every time – without increasing their fees," said Sam Khashman, President and CEO of IMAGINE Software. "The vision for IMAGINE has always been to serve as a long term value added partner in the success of our clients. We are excited the industry is rapidly adopting the IMAGINE system and is responding to that vision."
