## **IMAGINE Welcomes New Vice President**

**Charlotte, NC** – Technology Partners, Inc. (dba IMAGINE Software), a leading provider of medical billing technology, is proud to announce and welcome Tom Kushman as a Vice President.

In this position, Kushman will work with clients and staff to manage and oversee product management and strategic partner relations, as well as offer high-level consulting services. He brings many years of industry experience to IMAGINE in the areas of business management, clinic operations, billing and collections, and human resources. Prior to joining the IMAGINE team, he served as administrator of Dakota Radiology in Rapid City, South Dakota for five years. Kushman has held executive level positions in prominent businesses throughout his 30+ year career, including Manlove Psychiatric Group, Collins Companies, Inc., Komatsu/Rangel, Inc. and RM Rangel, Inc. He received his undergraduate training from the University of Alabama and a B.A. degree from Trinity Lutheran College in Seattle, followed by graduate studies at various institutions.

“We are very pleased to have Tom joining our team,” stated Sam Khashman, CEO of IMAGINE Software. “He brings a unique combination of experience, intelligence, leadership and personality that will be beneficial to our clients, partners, and employees. We firmly believe that Tom will be a vital part of IMAGINE’s environment as we continue to grow.”

“There are unique opportunities that lie ahead for IMAGINE in the healthcare industry,” Kushman said. “The business of radiology is changing, and I am excited for the chance to work with IMAGINE’s present and future clients and partners in making better informed decisions on how to use technology that will contribute to their future success. I could not be happier in choosing to join the IMAGINE team at this point in my career.”

### **About Technology Partners, Inc. (dba IMAGINE Software) and IMAGINeradiology™**

Technology Partners, Inc. (dba IMAGINE Software) has led the way in innovation of automated medical business management solutions for nine years with its flagship product, IMAGINeradiology™. A vast array of Microsoft-inspired tools and features allow IMAGINeradiology™ to offer complete integration. The IMAGINeradiology™ System has been heralded for its ability to streamline the billing/collections process, improve staff productivity and increase practice profitability with unsurpassed processes. IMAGINeradiology™ offers its own Smart Imaging Technology, an Auto Coder feature, Appliance Processing, an EOB Reader, and Direct-To-Payer Claims Submissions, as well as electronic remittance. The IMAGINeradiology™ team offers cutting edge products and services that are revolutionizing workflow automation for practices and billing offices. With the full support of its customers, leadership, and partners, TPI provides solutions that expand to accommodate the changing needs of today's medical practices.
