## **IMAGINE Software welcomes new client, Delaney Radiologists**

**Charlotte, NC** – Technology Partners, Inc. (dba IMAGINE Software), a leading provider of medical billing technology, announces that Delaney Radiologists of Wilmington, NC has chosen the IMAGINeradiology™ practice management system and the IMAGINEappliance™ for their billing and collection needs.

After evaluating other systems within the marketplace, Delaney Radiologists selected IMAGINeradiology™ based on a variety of factors, including high-level performance features, superior automation capabilities, advanced technology, and complete integration.

“We were truly impressed with the way IMAGINeradiology™ can handle our practice workload and also offer effective automation and turnaround time,” stated Paula Oathout, Executive Director of Delaney Radiologists. “We hope to continue our relationship with IMAGINE well into the future.”

“We are excited about beginning this partnership with Delaney Radiologists,” said Sam Khashman, President and CEO of IMAGINE Software. “Delaney’s dedication to the highest level of care and quality service in the radiology industry is commendable, and we look forward to supporting their group with the practice management system that lives up to these standards while building a long relationship and lasting value.”
